1. The following is an examiner's statement of reasons for allowance: The claims have been allowed because claim 1 includes the previously allowed matter of claims 2 and 3 and claim 11 includes the previously allowed matter of claims 12 and 13. New claim 37 recites the matter of claim 1 and to specify that the first materials comprise cards attached to individual sheets, and wherein each first material includes an identifier on the individual sheets. The reference to Hill et al does not disclose the matter of claim 37. The cited prior art does not disclose nor provide any combination of art to meet the claimed invention.

2. In claim 14 , on line 1, the dependency of "13" has been changed to --14--, by an informal examiner's amendment.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
